

LOT #4

FARMWORKER FAMILY, HEART OF THE VALLEY

Gather 'round the table and celebrate community

Food is an **expression of love and gratitude**. When we gather for a meal, we form roots that grow and vines that bind. Join us for an authentic experience of the **time-honored tradition of sharing a meal** with our farmworker family.

The **Napa Valley Farmworker Foundation Board of Directors** and farmworkers who have benefited from your generosity and support, welcome you to the table for a magical afternoon fiesta. Together, we will celebrate the **many unique cultures** that make up our Napa Valley farmworker community, as our students graciously share homemade dishes representing their region's distinctive heritage!
