

2026 HARVEST STOMP REMOTE BIDDER FORM

You may designate a Napa Valley Grapegrowers (NVG) auction representative to serve as a proxy bidder in your absence of attending Harvest STOMP on August 22, 2026. The representative will place bids on each auction item specified below at the minimum bid increment each time your previous bid is raised, but not more than your maximum authorized bid amount, unless separately authorized by you by phone.

NVG offers this feature as a courtesy and is not responsible for any bidder failing to secure the winning bid on an auction item. Your proxy bid is a binding contract to purchase the auction item on which you are the winning bidder.

Your designated representative will follow your instructions to the best of their ability. They will have a phone and may, but are not required to, contact you at the number(s) you list below. Please check the box below if you wish to be contacted for authorization to increase your max bid.

If a proxy bid is involved, a copy of the bid sheet and the proxy bid registration will be given to the winning bidder. Your representative will use your bidder number to record your bids on the bid sheet for any item in the 2026 Harvest STOMP Auction.

To secure a bidder number, complete this form and return it by email by 5 pm on Friday, August 21, 2026. NVG is not responsible for forms lost in the mail or in electronic transmission. You will receive confirmation of receipt via email.

All information will be kept confidential and will be destroyed after the auction.

I have read the above proxy bid procedure and registration terms, authorize the NVG auction representative to make binding bids on my behalf per the bidding instructions set forth below, and agree to promptly remit to NVG the full amount of any winning bid made on my behalf.
