## SCREAMING EAGLE, VERTICAL HEIGHTS

Take your nest at the top of the food chain

### Screaming Eagle.

Any oenophile knows that catching a glimpse of the national bird is easier than seizing a bottle of this elusive wine species. Well, hold onto your hats, because the eponymous eagle whisperer **Jean Phillips** is setting free not one, but **three of these unbelievably rare birds**.

The masterful maker of these gems? **THE Heidi Barrett**, Screaming Eagle's first winemaker, dubbed the "Queen of Cult Cabernet" by Robert Parker. When Robert awarded the 1992 Screaming Eagle a **100-point score**, Heidi's inimitable reputation soared to rapturous heights where it remains today!

Screaming hot magnums:

- **1994 Screaming Eagle Cabernet Sauvignon (1.5L) (RP94)**
- **1995 Screaming Eagle Cabernet Sauvignon (1.5L) (RP99)**
- **1996 Screaming Eagle Cabernet Sauvignon (1.5L) (RP98)**

**Get your claws on this lot, and it'll turn your beak red!**
