

2023 HARVEST STOMP REMOTE BIDDER FORM

If you are not attending Harvest STOMP on August 26, 2023, you may designate a Napa Valley Grapegrowers (NVG) auction representative to serve as a proxy bidder in your absence. The representative will place bids on each auction item specified below at the minimum bid increment each time your previous bid is raised, but not for more than your maximum authorized bid amount unless separately authorized by you by phone.

The NVG offers this feature as a courtesy and is not responsible for the failure of anyone to make the winning bid on auction items. Your proxy bid is a binding contract to purchase the auction item as which you are the winning bidder. The designated NVG representative will follow your instructions to the best of his or her ability. The designated representative will have a phone and may, but is not required to, contact you at the numbers you list below. If you wish to be contacted for authorization to increase your max bid, please check the box below.

A copy of the bid sheet and the proxy bid registration will be given to the winning bidder if a proxy bid is involved. The NVG representative will use the Bidder's number to indicate on the bid sheet their bid for any item in the 2022 Harvest STOMP Auction. **To secure a bidder number, complete this form, and return this form via email by 5 pm on Friday, August 25, 2023.** The NVG is not responsible for proxies lost in the mail or by electronic transmission. You will receive confirmation of receipt of this form via email.

All information will be kept confidential and will be destroyed at the conclusion of the auction.

I have read the above proxy bid procedure and registration terms, authorize the NVG auction representative to make binding bids on my behalf in accordance with the bidding instructions set forth below, and agree to promptly remit to NVG the full amount of any winning bid made on my behalf.
